

## Letter of Recommendation

To Whom This May Concern,

My name is Tom Lavi and proud to offer my recommendation of Yael Tzruia to whom I have personally known.

Yael worked as a front-end developer intern at my company – SueApp LTD.  
A legal-tech data-driven smart-application for small claims filing.  
Yael focused on building our website from scratch, including form building and responsive design

During recent months with Yael, I have experienced an individual who works hard, and carries herself in a polite, respectable manner. In addition, Yael is a talented individual with innate capabilities who has always presented herself with levelheadedness and grace.

Please do not hesitate to contact me if you should require any further information.

Best,

Tom Lavi,  
CEO
